rooms, airports, retail, shopping malls etc.

High-Performance with webOS

LG webOS platform enhances user convenience with intuitive GUI and simple app development tools.

Conformal Coating

In various places the UH5J-H series is unable to avoid exposure to environments containing dust, humidity, etc. which may hamper performance over time. The conformal coating on power board reduces these risks by protecting UH5J-H series from salt, dust, iron powder, humidity, etc.

Mobile Content Management

You can create a store profile and get template recommendations using the Promota* app. Users can customize templates for all industries and easily create and manage content not only on PCs but also on mobile devices.

IP5x Certified Design

The IP5x Dust-Proof Certification ensures that the product is protected from dust, reducing the risk of performance degradation.

Compatible with AV Control System

The UH5J-H series has supported Crestron Connected for high compatibility with professional AV controls to achieve seamless integration and automated control*, boosting business management efficiency.
