

Seagate SV35 Series ST31000526SV internal hard drive 1 TB 7200 RPM 32 MB 3.5" Serial ATA

Model: ST31000526SV

Manufacturer: SEAGATE

Product Code: 9711

R787 R876

SV35 Series™ Hard Drives

Seagate® SV35 Series™ hard drives are designed to optimize performance while improving reliability in digital video surveillance systems.

Applications

- Video surveillance digital video recorder (SDVR)
- Video surveillance network digital video recorder (NVR)
- Direct-attached JBOD video storage

- Network-attached JBOD video storage

The SV35 Series hard drives are engineered for rigorous 24x7 video surveillance systems, offering tuned performance, high capacities and durable reliability required for the high-write workloads of video surveillance systems.

The SV35 Series drives are backed by the industry-leading Seagate® 5-Year Limited Warranty.

Key Features and Benefits

- 2TB, 1TB and 500GB capacities
- SATA 6Gb/s
- Enterprise-class reliability for 24x7 video surveillance applications, with >1 million hours MTBF and <1% AFR
- Leading areal densities boost performance with a smaller mechanical part count. Spin-up is current-limited at 2A to allow the use of the most energy-efficient and cool-running power supplies.
- ATA-7 streaming commands optimize video streaming performance and integrity.
