6-ZONE RGB BACKLIGHT

The Rhod 420 RGB includes 6-zone RGB backlight that allows you to set your favourite backlight colour for each of the six zones. The choice of colours is limited to 7 colour combinations (red, green, blue, yellow, ocean blue, purple, white) with the option of setting 9 backlight modes. Amongst the most interesting of them is the "PRISMO" effect (moving rainbow effect).

ARROW KEY AND WASD SWITCH FUNCTION

Some players prefer keyboard settings where WASD keys work as arrow keys. By pressing FN + W you can easily and quickly switch the function of WASD keys to the arrow keys on-the-fly without the need to make changes via software or game settings.
