PRO PRECISION

Experience unparalleled precision like never before with the ROG Keris II Ace. With an ergonomic shape tested by top esports professionals to deliver maximum comfort and better control, the 54-gram Keris II Ace is packed with industry-leading features that aims to help you unlock your potential in competitive play.

ERGONOMICS REDEFINED

Designed with the help for FPS esports pros, the Keris II Ace is optimized for peak comfort and control.

54G ULTRA-LIGHTWEIGHT

Streamlined, lightweight design to reduce fatigue after long hours of intense handling

SPECIALLY-DESIGNED FORM

Sides are sloped inwards to provide a solid yet effortless grip

PERFECTLY-PLACED SIDE BUTTONS

Side buttons are positioned for better thumb accessibility

EXTENDED SIDE LEDGE

The ledge on the right is shaped with extra room to rest your ring finger, which allows better mobility for your index and middle fingers.

ROG POLLING RATE BOOSTER

Experience supersmooth cursor control with the ROG Polling Rate Booster – a new ROG-exclusive accessory that upgrades mouse polling rate up to 4000 Hz in wireless and up to 8000 Hz in wired mode.

The higher date report rates lead to lower input lags, as well as much smoother and up-to-date cursor movements to be registered on screen, which translates to more accurate tracking and swiping movements.

ROG AIMPOINT PRO OPTICAL SENSOR

The new 42,000-dpi ROG AimPoint Pro optical sensor with industry-leading < 1% deviation allows you to track and flick with absolute precision.

This level of performance now extends to almost any table surface with newly incorporated track-on-glass technology.

ROG OPTICAL MICRO SWITCHES

The new ROG-exclusive optical micro switches have an astounding 100-million click lifespan and deliver clear-cut signals with instant actuation. Click consistency between the left and right mouse buttons is enhanced through a rigorous process that ensures that switches within the 5 gram-force deviation range are sorted together.

ROG SPEEDNOVA WIRELESS TECHNOLOGY

Rack up wins with a top-tier wireless solution approved by esports professionals.

ROG-PATTERNED GRIP TAPE

Bundled mouse grip tape gives you a more secure grip while also adding a bit of flair.

SMOOTH AND SWIFT GLIDE

The ROG Paracord and 100% PTFE mouse feet allow for ultra-smooth and snag-free mouse movement.

ARMOURY CRATE & AURA SYNC

To synchronize lighting across other Aura Sync products, install the original Armoury Crate to access an endless spectrum of colors, preset effects and wallpapers to take the style of your whole setup to the next level.

*Works with Windows Dynamic Lighting

DARE TO ACT GREEN

We at the Republic of Gamers are on a mission to create a sustainable future where all gamers can flourish on the planet we call home.

Every step counts and as part of ROG’s commitment to creating a more sustainable future, use of plastics in the packaging of ROG Keris II Ace has been reduced, accounting for no more than 1% by weight.

For those who dare, join us on our journey as we make the world a better place.
