Lightweight gaming mouse with fully adjustable RGB lighting

Light weight, heavy duty

Clunky mice are out, featherlight ones are in. Weighing only 82g, the Redex II ensures that you have no weight dragging you down whilst you play, keeping you feeling comfortable and making sure you’re always ready for another match.

Victory meets sustainability

A win for you, a win for the planet. With a sustainable design made with 55% recycled plastics, this mouse lets you make a more conscious choice when it comes to your gaming gear.

All about accuracy

Make your moves with the Redex II’s adjustable and highly accurate optical sensor. Going all the way up to 10.000 DPI, this mouse prepares you for intense matches, fast reactions, and non-stop wins.

Long-term partner

Don’t worry about this mouse breaking down on you – with durable Kailh switches that last up to 80 million clicks, this mouse is here to play AND stay.

Light up your life

Feel like a star and shine like one to thanks to the Redex II’s full 3-zone RGB. With lighting on the sides, scroll wheel and logo, enjoy up to 16.8 million different colours (we didn’t even know there were that many colours!) for some ultra-groovy gaming.
