Play your way

The Trust GXT 922 YBAR Gaming Mouse is all about speed and accuracy, enabling you to adjust between 200-7200 DPI, so you can game your way.

Green gamer

The YBAR is made with 68% recycled materials, so you’re winning two ways: in your matches and in helping the environment.

All about you

Full RGB LED lighting with adjustable colours and effects add flourish to your gaming setup – and make you look even cooler than you already are.

Buttons on buttons

Two main buttons, two side buttons, a scrollwheel button, and a DPI button up the ante for a tailor-made gaming experience that will have you racking up victory after victory.
