Mouse with ergonomic vertical design to reduce arm and wrist strain.

Work naturally

With the Trust Verto Ergonomic Mouse, you can work ergonomically for hours. This mouse is made to reduce arm and wrist strain for ultimate comfort during those long working days. Your hand will remain in a natural position while using this mouse. Choose optimal control and comfort! Thanks to its ergonomic design and comfortable thumb rest, you can work or study effortlessly for hours at home or at the office. The vertical layout brings your underarm and wrist into a natural position which relaxes the muscles in your hand, wrist and arm. The rubber coating of this mouse makes sure your grip remains firm while working for longer periods of time.

Accurate control

Who said ergonomics was boring? Simply plug in the mouse and you have access to a 1000/1600 dpi optical sensor for accurate control. Switch dpi with the dedicated button or browse quickly through different web pages with the two thumb buttons.

Plug & Play

Connect the Verto with the 1.5m USB cable and you can start working instantly. The LED illumination lights up your mouse with attractive blue light!
