Model: ECS1008P

Manufacturer: ENGЕНИUS

EAN: 4713361935039

Product Code: 973739

R4,013

EnGenius Cloud Managed Layer 2+ Switch ECS1008P features 8 Gigabit PoE ports, 55W PoE budget. Its enterprise-class features optimize network efficiency and offer robust security with Voice-VLAN support. The switch also extends PoE Ethernet cable deployment range up to 250 meters, auto-reboots PoE power for failed camera, and provides a steady supply of PoE power during switch upgrades. Ideal for cost-conscious SMBs.
