

Zyxel XMG1915-10E Managed L2 2.5G Ethernet (100/1000/2500)

Model: XMG1915-10E-EU0101F

Manufacturer: ZYXEL

EAN: 4718937631414

Product Code: 973876

R4,779

The Zyxel XMG1915 series is a versatile family of 2.5G Multi-Gig Smart Managed switches, available in three models with and without PoE connectivity. Each Ethernet port on these models supports 2.5G speed, and they are equipped with two 10G SFP+ ports to cater to your business's increasing need for high network speeds. The XMG1915 series is designed to support NebulaFlex, offering the most affordable Multi-Gig hybrid switch solution for the SB/SMB market. Whether you choose to set it up through the user-friendly Web GUI or the Nebula Control center for cloud-based unified management, configuration is a breeze. This series ensures that your network can keep up with the rapid growth in data demands without breaking the bank.
