R1,158

HATOR Hyperpunk Truepods Hybrid ANC is the perfect choice for those who value clear sound in any situation. Thanks to the hybrid active noise-canceling system, these earbuds provide an immersive listening experience even in noisy environments. Ideal for work, travel, and mobile gaming.

The hybrid active noise-canceling system, equipped with six microphones (three in each earbud), effectively blocks out surrounding noise. You'll only hear what you need.

Transparency Mode.
