MAXIMUM COMPATIBILITY

Built for gaming on PS5™, PS4™ & PS4™ Pro consoles and with the flip of a switch on the transmitter, the Stealth 600 Gen 2 MAX is compatible with Nintendo Switch™ & PC with optimized controls. Plus, when using with PC, the MODE button will sync with your multimedia to allow you to play and pause music, skip tracks, and adjust master volume directly from your PC or keyboard.

POWERFUL, AMPLIFIED AUDIO

Refined ear cup acoustics and expertly tuned 50mm speakers are powerfully driven to give you accurate, immersive audio.

LAG-FREE WIRELESS

Our proprietary low-latency 2.4 GHz wireless connection optimizes gaming audio & chat in real-time for a lag-free gameplay advantage. Plus, the simple USB transmitter connects in just two seconds with PlayStation®, Nintendo Switch™ & PC.

THE 3D AUDIO ADVANTAGE

Bring your games, movies, and music to life with 3D Audio, Sony’s most advanced 3D audio solution specifically optimized for headsets. 3D Audio offers enhanced spatial surround sound from hundreds of precisely unique directions, taking your gaming audio to the next level..

GEN 2 FLIP-TO-MUTE MIC

Turtle Beach enhances voice chat once again with a larger, high-sensitivity, 99.95% voice accurate microphone. The Gen 2 mic improves chat clarity and seamlessly integrates into the headset design when muted.

BETTER FIT, BIGGER SOUND

Uniquely shaped ear cushions with soft, breathable material improves comfort for long gameplay sessions and allows for a wider audio soundstage and greater depth perception.

GLASSES FRIENDLY

Turtle Beach’s exclusive, patented ProSpecs™ glasses relief system features dual-foam ear cushions, with softer foam in the section of the ear cushions that rests against your glasses, alleviating pressure and allowing gamers with glasses to play in comfort.

EASY ACCESS TO AUDIO PRESETS

Enhance your gameplay experience at the touch of a button with four signature Turtle Beach audio presets including Bass Boost, Signature Sound, Treble Boost, and Vocal Boost.

SUPERHUMAN HEARING® SOUND SETTING

Turtle Beach® exclusive Superhuman Hearing® sound setting lets you hear subtle, game-changing sounds so you can live longer and win more. Hear vital game details like enemy footsteps and weapon reloads to elevate your game above the rest.

VARIABLE MIC MONITORING

Avoid shouting thanks to variable mic monitoring which allows you to hear and adjust your voice through the headset while you chat.

BUILT TO LAST

Strengthened headband and hinge design ensures added durability and proper functionality over long-term use.

USB-C CHARGING

Included USB-C cable provides fast charging, and easy firmware updates via Windows PC or Mac®.
