

Cudy LT400E wireless router Fast Ethernet Single-band (2.4 GHz) 4G White

Model: LT400E

Manufacturer: CUDY

EAN: 6971690793166

Product Code: 975288

R1,270

Turn 4G into Internet for All

Connects up to 64 Devices Wirelessly

Enjoy high-speed WiFi with ample capacity when your friends come over. The 2×2 MIMO enables devices to use both antennas, improving the streaming experience.

Shares with Wired Devices Flawlessly

Four fast Ethernet ports let you connect multiple devices via stable Ethernet cable without needing another network switch.

Easy Setup and Versatile Management

Easy to Use and Move

Insert your Nano SIM card and power up to get network instantly. No rigid subscription, nor complex wiring.

Network Redundacy

Set up the backup to make sure your surveillance and the rest stay connected even when WAN/WISP is down.

Client Management

Set a bedtime and a domain blacklist to regulate your children's online behaviour.

VPN Client and Server

Connect to VPN with WireGuard/OpenVPN/Zerotier/PPTP/L2TP protocols or host your own server at home/office.

Plug in a SIM Card to Enjoy the Network

Home

Plug and play easy-to-install WiFi for every home—no rigid broadband subscription is required.

Automobile

Provide decent networks for all devices on your road journey.

Surveillance

Make sure the network is always on with the WAN + WISP + 4G backup function.
