D-Link Industrial Layer 2+ Gigabit Managed Switch with 24 SFP Ports & 4 Port 10G SFP+

Model: DIS-700G-28XS

Manufacturer: D-LINK

Product Code: 975634

R102,913

Layer 2+ Managed Customization

For the core of your network, the DIS-700G-28XS features user management interfaces and provides diagnostics, security and controls to shape your managed network needs.

Gigabit Connectivity with SFP slots

Designed with 24 x SFP ports and 4 x 10G SFP+ slots (1G SFP backwards compatible) to suit a range of devices and network layouts.

Officially Certified

Certifications for vibration, shock, free-fall, and electromagnetic compatibility to maximise network uptime in a variety of deployment environments, including smart city surveillance, factory automation, and outdoor wireless networks.

Withstands Extreme Temperatures

Operates effortlessly in a range of industrial and harsh environments in temperatures from –10°C to +65°C, and can cold start from -10°C.

Strong Build

The tough housing has been created to keep your network protected and reliably rugged. That’s why every DIS-switch comes with a 5-year D-Link warranty.

High Availability

Rapid ring failover recovery time of < 20ms, with even faster PROFINET speeds available at project request.

Fanless Design

With no moving parts inside to reduce downtime and maintenance call outs, the rugged housing has been optimised for the transfer of heat.
