LG 27U41YA-B.AEUQ 27inch FHD IPS 120Hz HDMI

Model: 27U41YA-B.AEUQ

Manufacturer: LG

EAN: 8806096597200

Product Code: 975936

R2,389

The LG Electronics 27U41YA-B is a versatile 27-inch desktop monitor that provides Full HD 1080p resolution. With a native resolution of 1920 x 1080 and a brightness level of 250 cd/m2, this monitor delivers clear and vibrant images. Its IPS technology ensures wide viewing angles of up to 178 degrees both horizontally and vertically, making it suitable for shared viewing. The monitor features a rapid response time of 5 ms, ensuring smooth visuals, which is ideal for gaming and multimedia applications.

Equipped with various features designed to enhance user experience, the LG 27U41YA-B includes Flicker Safe technology to reduce eye strain, Reader Mode for comfortable reading, and Black Stabilizer for better visibility in dark scenes. Additionally, the HDR capability and Super Resolution+ provide improved color accuracy and depth, elevating image quality. Smart Energy Saving technology and low power consumption further contribute to an efficient setup, making this monitor a smart choice for work or entertainment.
