SLIM DESIGN, PROFOUND IMPACT

All-in-One — Smart, Slim, Powerful & Space-Conscious

The Lenovo ThinkCentre Neo 55a Gen 6 all-in-one, powered by AMD Ryzen™ processors, features a space-saving, ultraslim design perfect for SMBs. Its ultralow noise ensures minimal distractions, fostering focus in busy hybrid work environments. Compact yet powerful, it enhances productivity while keeping your workspace clutter-free and professional.

AUTOMATE TASKS, AMPLIFY RESULTS

Elevate Your Workday With AI Power & Precision

This all-in-one PC redefines productivity with its advanced AI capabilities. From enhanced video conferencing and collaboration tools to robust security features, it’s designed to streamline your work. Easily manage documents with automated scanning and summarization, handle emails and scheduling, and enjoy fast response times for seamless multitasking.

ADVANCED & SIMPLIFIED SECURITY

Built For Business, Secured for You

Boost business security with the ThinkCentre Neo 55a Gen 6 AIO. ThinkShield offers hardware and software security solutions via a Firmware Trusted Platform Module (fTPM) to protect sensitive data. Plus, the e-shutter provides visibility control for enhanced privacy and a Kensington Security Slot™ ensures device safety in public workspaces.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
