Entertainment Unbound

The Lenovo Legion Tab Gen 3 runs on Android™ 14 with support for three OS upgrades over its lifetime, and with Google Play, so games get more fun instead of outdated. When you can play the world, anywhere in the world, all from one place, unlimited fun is just a tap away.

LEGION COLDFRONT

Ice-Cold Power At Your Fingertips

Experience thermal mastery with the Legion Tab’s advanced cooling system. A 14% larger ColdFront Vapor Chamber gen-to-gen and a 3D heat dissipation structure keep heat away from your grip, ensuring balanced temperatures for comfortable, long-term play. Game longer, stay cooler, and maintain top -tier performance in every session.

LEGION ECOSYSTEM

Fuel Your Gaming Ecosystem

Forge seamless connections within the Lenovo Legion ecosystem using the Legion Tab, paired with Lenovo Smart Connect. Effortlessly share content between your Legion Tab and laptop or desktop. The Legion Tab integrates with Legion monitors, headsets, and more, and easily fits into a Legion backpack ideal for class or travel. Elevate your gaming with harmonious device synergy.

CREDIBILITY AND COLLABORATION

Sustainabilty

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
