R6,004

Play at the Speed of Light

Play at the speed of light with the ROG Strix Scope II RX. This state-of-the-art gaming keyboard features exclusive ROG RX optical switches that include all-round central lighting and provide consistent, wobble-free keystrokes and near-instantaneous trigger response. It features either PBT doubleshot or UV-coated keycaps that offer a great feel plus shine-resistance. The ROG Strix Scope II RX also features IP57-rated waterproof and dust resistance, intuitive multifunction controls, streaming hotkeys and a detachable wrist rest.

ROG RX OPTICAL SWITCHES

Pre-lubed ROG RX Red and RX Blue optical switches offer consistent, wobble-free keystrokes with a superfast 1 ms response and 100-million-keystroke lifespan. These premium switches have a hollow-square stem design and embedded RGB LEDs that provide all-round per-key lighting.

IP57-RATED

With IP57-rated waterproof and dust resistance, the ROG Strix Scope II RX offers outstanding durability that resists minor spills, household dust and dander.

Quick Access

The F1-F5 keys of the ROG Strix Scope II series have been mapped as hotkeys for Xbox Game Bar and recording functions.

Intuitive Controls

The multi-function button and multiwheel allows users to control media playback, adjust volume, and tweak keyboard lighting.

IMPROVED ACOUSTICS

Built-in sound-dampening foam helps absorb pinging noises and echoes within the keyboard.

ROG UV-Coated

ABS Keycaps

ROG UV-coated ABS keycaps utilize a layer of UV hard coating to offer greatly improved shine resistance.

*keycap material may vary by region

ROG PBT

Doubleshot Keycaps

ROG PBT doubleshot keycaps provide a unique and premium feel, as well as offer long-lasting durability. Key design has been optimized with mid-height keycaps (similar to Cherry profile keycaps) and a shorter stem to reduce key wobble, and provide a more comfortable user experience.
