Play your game collection

PlayStation Portal™ Remote Player can play compatible games you have installed on your PS5 console, including your favourite games for PS5 and PS42.

Experience breath-taking immersion with DualSense® wireless controller features

Feel the immersive power of haptic feedback and adaptive triggers in supported games4. Responsive vibrations react to your in-game choices and simulate environmental factors. Dynamic resistance mimics the tension of interactions with in-game gear and objects in select PS5 games.

Beautiful 8” LCD screen

Take in every exquisite detail of your favourite games as they come alive on a brightly lit and gorgeous full HD screen.

60fps capable at 1080p resolution

PlayStation Portal™ Remote Player can deliver silky-smooth gameplay at up to 60fps with high image clarity on its 1080p resolution screen3.

Get gaming fast

PlayStation Portal™ Remote Player is a purpose-built device dedicated to delivering an incredible remote play experience. That means you can turn it on, press a button to connect to your PS5 console and get right to playing with remarkable speed.

No TV needed to play and no living room required.
Since PlayStation Portal™ Remote Player lets you stream games over your home Wi-Fi1, you can play your PS5 console even when someone else is using the TV it’s connected to.

Simply turn on PlayStation Portal™ Remote Player and you’re good to go. With PlayStation Portal™ Remote Player on your home Wi-Fi connection1, you have more flexibility to play in any room where
