Model: JBLQTUM650BLK

Manufacturer: JBL

EAN: 1200130023958

Product Code: 990688

R3,619

Designed for performance, the JBL Quantum 650X wireless gaming headset gives you a clear edge over the competition with accurate and immersive sound. JBL Quantum Spatial Sound, customizable through the JBL QuantumENGINE, delivers a wider, more realistic spatial environment, so you never miss a detail. Hear every sound your opponents make, and know immediately if they're above or below you. With the 6mm Cardioid boom mic, your squad will always hear your instructions loud and clear. Connect seamlessly to any gaming platform PC, Xbox, PlayStation, Nintendo Switch and mobile via the low-latency 2.4 GHz dongle, via Bluetooth® 5.3, or wired via the included USB-C cable. The JBL QuantumENGINE delivers gamer-centered audio that you can customize to your own gaming style. Best of all, the cables, microphone, ultra-light mesh hammock, and high-comfort fabric ear cushions are all replaceable, and the fully adjustable ergonomic fit means you can play all night long. Construction type: Over-Ear | Fastening type: Headband | Connection: Wired and wireless |
